CONVERSATION TOPIC: Music

1. There are all kinds of cultural music (American, Korean, Brazilian, etc). And there are many genres and subgenres (country, classical, folk, etc.) What kind of music do you like best? Why? Tell each other your reasons.

2. Some people like to listen to music when they are doing homework or working out, while others listen to music at other times. When do you usually listen to music? Why? How often do you listen to music?

3. Who is your favorite musician/group/music star? Why do you like their music so much? In addition to this group or person, do you also like other musicians? Why?

4. Have you been to a concert/music show before? Did you enjoy it? Why? What was especially good about the concert/show?

5. Do you play any musical instrument? If yes, what do you play? Have you performed at any concert/show? If yes, tell each other your experiences of performing.

6. Do you like to sing? Why or why not? If you do, have you performed in front of others? What kind of songs do you sing? If you do not sing, do any of your friends sing?
