

Introducing the issue

The problem is that...

There is a conflict between...and...

I am convinced that...

Describing the situation

We know that X is...

In contrast with...

As compared to...

Insofar as...

Essentially...

In many respects / In this respect...

In other words...

Analyzing the problem

precisely because...

this is due mainly to the fact that...

that's why it is so important that...

it is true that...but...

Proposing a solution

we absolutely have to...

it is absolutely necessary that...

is obvious that we must...

one thing is clear: ...

either we...or else we...

Summarizing your argument

On the whole...

In general...

In conclusion we can say that...
