

What should we talk about?

Take the Floor

OK, well ...
OK, do you know...
OK, wait a minute...
OK, I want to say something...
OK, I have to say something to that...
one more thing: ...

Make a suggestion

How would it be if...
I'd like to...
I've got it! (a great idea)

Accept a suggestion

That sounds great.
That sounds like a good idea.
OK, it's settled.

Turn down a suggestion

That won't work at all.
OK, but...
That won't work for sure.
I'm not really for that.
I've got a better idea.

Organizing by time

first of all..., afterwards...
first of all, later...
before(hand) / after that
as usual / as always
finally / in the end...

Organizing by importance

On the one hand..., on the other hand...
It's true..., but...
In the first place... . In the second place... .
First/First of all... . Then/After that... .
